

Chiseled Boneless Ham – combo packed 62092

- Graded from a 19-23 lb fresh dropped ham
- 1/8 inch exterior fat cover, exterior gland pocket completely removed
- Open from top seam [same seam as our boneless ham] – ALL STAR FAT REMOVED
- Remove Tenderloin piece, remove light butt piece and all protein trim
- Clean up all star fat around heel without filleting open, heel stays attached
- Knuckle left whole and all star fat removed
- Bottom has eye opened up so all seam and star fat can be removed, eye remains attached
- Top has vein removed and all star fat removed
